

MUHAMMAD AZAHRUL RAMADHAN

DATA ANALYST

Bogor, West Java | azahrulsmavo@gmail.com | linkedin.com/in/muhammad-azahrul-ramadhan-9728bb252

Recent Mathematics Education graduate (3.40 GPA) with a strong passion for data analytics and artificial intelligence. Brings over a year of hands-on experience from Kevin Book Store, developing data workflows and automation systems. Proven ability to build multi-channel sales dashboards (Power BI), implement demand forecasting, and automate data pipelines.

PROFESSIONAL EXPERIENCE

Kevin Book Store — Business & Data Analyst (Manager) Yogyakarta | Aug 2024 – Okt 2025

- Developed automated data pipelines for Shopee and TikTok order reports using Excel Power Query.
- Created a price floor calculator to maintain consistent margins across online channels.
- Designed and documented B2B & B2C SOPs with full audit readiness
- Conducted demand forecasting and inventory analytics to optimize restock and supply chain planning.
- Supported management decisions through ad-hoc data analysis and structured reporting automation.

Key Achievements:

- Reduced daily reporting time by 80% through query-based automation.
- Increased forecasting accuracy by 25%, preventing overstock during peak seasons.

EDUCATION

Bachelor of Mathematics Education Aug 2021 - Oct 2025

Universitas Negeri Yogyakarta

GPA: 3.40 / 4.00

Relevant Coursework:

Data Analysis & Statistics, Research Methodology, Educational Measurement, and Machine Learning Basics (self-study).

CERTIFICATION

- Google Analytics Certification** — Nov 2025 – Nov 2026.
- Power BI for Beginners** — Simplilearn (2025)
- A/B Testing Fundamentals** — Udacity (2025)

TECHNICAL SKILLS

- | | |
|-------------------------------------|--|
| • Data Tools: | Excel Power Query (Good), Power BI (Intermediate), Python (Pandas, Matplotlib — Intermediate), R (RStudio — Good). |
| • Analytics & Marketing: | Digital Marketing Analytics, A/B Testing, Dashboard Design |
| • Soft Skills: | Critical Thinking, Process Documentation, Strategic Communication |

LANGUAGES

- Indonesian** — Native
- English** — Professional Working Proficiency

PORTFOLIO PROJECTS

- **Traffic Analysis — Pangyo Road Simulation (2025):**
Exploratory data analysis of 266K records; correlation (−0.59) between occupancy & speed; visualization with Seaborn & Matplotlib. (https://github.com/azahrulsmavo-design/Traffic_Analysis_Pangyo)
- **Sales Dashboard Automation — Kevin Book Store (2025):**
Built automated Excel Power Query pipelines; reduced reporting time by 80%.
- **Demand Forecasting Model — Kevin Book Store (2025):**
Created forecasting workflow for top-20 SKUs using moving averages and safety-stock simulation; improved restock precision by 25%.
